

**ST. PETER CATHOLIC PARISH  
E-TITHING AND ON-LINE GIVING**

*"For where your treasure is, there also will your heart be". (Matthew 6:21)*

---

*Your support is essential to the spiritual and academic mission of St. Peter Parish. I thank you for your support, and pray that God will bless you abundantly for your generosity. Fr. Doty, Pastor*

Why should I use E-Tithing or On-Line Giving? E-Tithing and On-Line Giving allow you to:

- Give consistently;
- Help you prepare and fulfill your stewardship plans;
- Share your generosity efficiently and predictably.

Here at St. Peter Parish we have three methods of tithing – all of which are available to you:

- **Traditional tithing** through the use of weekly and Holy Day envelopes, as well as envelopes associated with special programs such as St. Vincent de Paul and Facilities Maintenance.
- **E-Tithing** – this program allows you to establish a set giving amount for each program you feel called to support. Funds donated through this method will be automatically deducted from your bank account once a month on the first day of each month.
- **On-Line giving** – this program allows you to establish a set giving amount for each program you feel called to support. Funds donated through this method can be charged on any date you set (daily, monthly, weekly, etc.) and can be charged to your credit card or bank account.

How to I determine which method might be right for me? Of course, only you can determine through prayer and an understanding of your individual circumstances which method is best for you, however here are some thoughts you may want to consider.

- Traditional tithing allows you to give as you can – there is no set amount or established “collection date.” Giving envelopes will be mailed to you monthly for the next month and you can give by using the envelopes and depositing them into the collection basket at Mass on Sunday.
- E-Tithing allows you to identify an amount for any program the parish may have that you feel called to support and have the money automatically deducted from your bank account. The E-Tithing program is managed right here in the parish and thus you always have someone here that you can talk with to make changes as needed.
- On-Line Giving is a web based program used nationwide to provide tithing support for all types of religious organizations. In a way it is similar to E-Tithing in that you can identify any amount you feel called to give and have it assigned to various programs. The difference between On-Line Giving and E-Tithing is: you can choose the date of deduction from your account, you can have the amount deducted from your bank account or a credit card, and you can choose the actual date of deduction and set up the recurrence as needed.

How do I “enroll” in these various tithing programs?

- Traditional tithing and the provision of envelopes will happen automatically when you register with the Parish, Envelopes will be mailed to you within a month of your registration.
- E-Tithing enrollment can be accomplished by completing the E-Tithing enrollment form and dropping it by the Church Office, mailing it to the office at 4500 Duxhall Drive; Lincoln, NE 68516; or emailing it to [Mike-Smith@cdolinc.net](mailto:Mike-Smith@cdolinc.net). Forms are available on-line at the Parish Web site [www.saintpeterslincoln.com](http://www.saintpeterslincoln.com) or in the church vestibule.
- On-Line giving can be accomplished by logging onto the On Line Giving web site at [www.myowngiving.com](http://www.myowngiving.com) and selecting the “sign up for new account” line in the sign in box.
