

# St Peter's Extended Day Program

## Registration Form 2018-19

St. Peter Extended Day Program is a child care program that we offer to families before and/or after school. The morning group finishes up homework, plays games or visits with friends. The afternoon is structured for homework, quiet time, play time (outside or the gym) and library as needed. Milk and snack is offered each afternoon.

Below you will find the tuition chart. All tuition for Extended Day is e-tuition and is deducted each month whether your child/children is in attendance or not. Our program is limited in the number of children that can enroll. If you do not receive a space you can be added to a waiting list. If space isn't available your registration fee will be returned.
