Drug Facts

Active Ingredient Purpose
 Natrum muriaticum 2X HPUS (Sodium chloride) ... Pediculosis remedy

Uses
 ■ For the treatment of ■ head lice ■ pubic (crab) lice
 ■ body lice

Warnings
 For external use only
 Ask a doctor before use if you have
 ■ infestation of eyebrows or eyelashes

When using this product
 ■ do not use in or near the eyes
 ■ do not permit contact with mucous membranes, such as
 inside the nose, mouth, or vagina, as irritation or stinging
 may occur
 ■ close eyes tightly while hair is being rinsed; do not open
 eyes until product is rinsed out
 ■ tingling may occur during the first 10 minutes of
 application; this is normal and should go away; if it
 doesn't, rinse hair immediately and discontinue use

Stop use and ask a doctor if
 ■ skin irritation or infection is present or develops

Keep out of reach of children
 ■ if swallowed, get medical help or contact a Poison Control
 Center right away.

Directions
 ■ adults and children 6 months of age and older:
 ■ shake well
 ■ remove cap and tamper evident seal; replace with
 enclosed root applicator
 ■ apply to DRY hair and entire scalp, starting at the nape
 of the neck and behind ears (where lice congregate)
 and work forward
 ■ thoroughly saturate all hair and scalp; to be effective,
 all lice and nits must come in full contact with the
 product
 ■ put plastic cap on head and leave on for at least 60
 minutes; for best results stay in a warm room
 ■ with product still in hair, remove plastic cap and comb
 out all dead lice and nits with enclosed fine toothed
 comb; rinse comb out under running water
 ■ once all lice and nits are combed out, rinse hair
 thoroughly with warm running water
 ■ thoroughly inspect and comb hair and scalp a second
 time to ensure complete removal of all lice and nits
 ■ Licefreee! may be used as often as necessary; a second
 treatment in 7-10 days is recommended to kill any
 newly hatched lice
 ■ children under 6 months of age:
 ■ do not use, consult a doctor
