

Scrip Online and Mobile Ordering

Purchasing Scrip online using your computer or mobile device is an easy and convenient way to support St. Peter's! It works just like regular Scrip, except that electronic gift cards available from many National Scrip retailers can be ordered and delivered to your computer or mobile device within minutes! You can order and redeem Scrip right from your device using **shopwithscrip.com** or the **RaiseRight mobile app**. ShopWithScrip will also give you the ability to reload physical cards. ShopWithScrip works by setting up a Presto Pay account through **shopwithscrip.com**. Your bank account will be linked to your Scrip account, so any purchases made will be directly withdrawn from your bank account, therefore eliminating the need to write checks and wait for physical cards. In order to join this exciting and convenient Scrip option, simply follow the steps below:

1. Go to shopwithscrip.com and click on the 'Register' button in the top right hand corner.
2. Enter in enrollment code: **53FL6EE35592**
3. Create a username and password, enter in your contact information, and click 'Register'. St. Peter's Catholic Church and School/Lincoln NE should be visible to the left hand side of the username and password entries...if they are not, you have entered in the wrong enrollment code!
4. After creating an account, you will receive a confirmation e-mail detailing your account registration and special features of shopwithscrip.com.
5. To begin ordering online or on your device, you will need to set up a Presto Pay account. Log in to your account on the shopwithscrip.com website (it will probably be easiest to do this from a desktop/laptop computer) and click on the 'Presto Pay' link in the left navigation bar of your Family Home Page.
6. Follow the instructions to set up your Presto Pay account.
7. If you would like to use Scrip on your mobile device, simply download the RaiseRight app from the Apple App Store or Google Play, enter the username and password you used when registering with shopwithscrip.com, and all of your information will automatically transfer to the app.
8. Now you are ready to order Scrip on-line or through your device. If you use the RaiseRight app on your device, most orders are available within minutes!
9. Note: There is a \$.15 convenience charge for each order placed online or on your device (regardless of the amount of the order or number of cards ordered).
